# CONDITIONS OF USE

1. No parking on Mevagissey Harbour property unless in an approved parking space and on payment of the correct parking tariff or parking permit.
2. Vehicles transiting harbour roads to private parking areas are required to obtain a Crossing Permit.
3. No berthing alongside any quays, jetties or wharfs without express permission of the Harbour Master.
4. The Master of any vessel within the harbour shall not deposit on the quay any goods or materials without first obtaining the permission of the Harbour Master.
5. No person shall use any part of the quay allotted for car parking for any other purpose without first obtaining permission of the Harbour Master.
6. No commercial filming on Mevagissey Harbour property without prior permission of the Harbour Master.

A full list of the Mevagissey Harbour Trustees Byelaws for the Regulation, Management and Control of Mevagissey Harbour can be obtained from the Harbour Office upon request.

## VISITING VESSELS

We welcome visiting yachts and will do our very best to accommodate them. Berths are available on the South pier, which is safe as long as the wind is not in the East. If wind is from the East and over force 3, it is strongly recommended to proceed to alternative port.

Fresh water is available from the inner harbour, however visiting boats must ask permission from the Harbour Office before entering the inner harbour. Visiting craft must not moor in the inner harbour.

For bilge keel yachts and twin hulls that can take the beach safely there is normally space available on the Sandy Beach on the East side of the West Quay.

There are 2 trots of 3 cylindrical visitors' buoys, to moor fore and aft, inside the harbour mouth to the north and south side.
